

EXPLORE

Now that you have some ideas about who you are and what you're looking for, it's time to learn about opportunities you might want to pursue on your career path.

Go on a career scavenger hunt. Take a look at job posting sites to locate 5-10 job descriptions that interest you. Don't sort out any positions because of qualifications or locations at this point. Simply look for positions that interest you, and answer the questions below.

List Jobs	What are the most appealing attributes of this job?	What preparation or steps would be necessary to qualify for this position?	What are the "common threads" among these positions?
