

**DIVISION OF ANIMAL SCIENCES  
UNIVERSITY OF MISSOURI-COLUMBIA  
INTERNSHIP LIABILITY STATEMENT**

I understand that the University of Missouri has worked with the cooperator to develop an internship, which meets the University criteria. Therefore, if the student intern successfully completes the intern program, appropriate credit will be granted by the University. However, the daily managerial control and working conditions of the internship program are handled and are under the sole direction of the cooperator. Consequently, the University does not have nor can it assume the liability relative to the protection of the individual intern.

In light of the above, you are urged to review with the cooperator what employee benefits are made available to the intern (i.e. health and accident insurance, workmen's compensation, and liability insurance). If adequate benefits are not available, you may wish to make your own arrangements. You may want to contact the Office of Student Development where insurance can be obtained during the period of registration.
